Sequelize, Express, Mysql2, Handlebars

Experience

Holt Logistics | PA, Philadelphia
Marine Superintendent | 11/2017 - 02/2020

Successfully managed and worked with union personnel to improve and maintain productivity standards during on going dock construction. Coordinated with all departments and customers on a daily basis while overseeing vessel operations in a real time setting.

Ports America | NJ, Newark
Marine Superintendent II | 06/2014 - 10/2017
Successfully managed union personnel while also overseeing daily operations. Coordinated vessel operations in real time, while also implementing innovative processes to improve production and eliminate redundancies, as well as ensuring safety standards were met for all vessel employees without loss of productivity.

Skills

Customer service, Communication skills, Time management, Leadership, Process Improvement, Collaborative Problem Solving

Education

Rutgers Boot Camp | New Brunswick, NJ
MERN Full Stack Web Development | 05/2022
